

**Basic Pickleball Paddle template:**

Modify contour to suit personal preference,  
within given height/width constraints.

- \* Print onto 11x17 paper
- \* Spray-adhesive or gluestick to material  
(3/8" thick plywood, acrylic, fiberglass, etc.)
- \* Cut along guideline with jigsaw, sawzall,  
router, laser vision, trained beaver, etc.)
- \* Peel, soak, rub, sand to remove template.
- \* Sand edges/face as necessary.
- \* Decorate/paint/sticker/customize
- \* Wrap handle and/or edges with  
athletic/bike handle/electric/duct tape etc.
- \* Go thrash some wiffle!
